To whom it may concern,

Piano Bar Entertainer Alex Fietz joined the Carnival Spirit March 21' 2013 for a brief 4 week contract. From the first night he performed he connected with our guests and maintained great crowds almost every night of the cruise. He also performed an early family hour every night to cater to guests of all ages which set up a great night of entertainment for our guests over 18 years later in the evening.

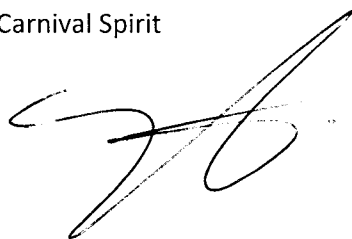

Alex was reliable, on time and very well presented. His ability to sing and play piano, and perform such a huge repertoire of songs makes him one of the better Piano Bar Entertainers available.

I would be very happy to have Alex perform again onboard the Carnival Spirit if the opportunity arises.

To Whom It May Concern:

RE: ALEX FEITZ

We have had the Alex play at the Surfers Paradise Marriott Resort in the Lobby Bar for a number of years.

He has always conducted himself in an exemplary manner, always arriving early for each session, well dressed and treated the Lobby Bar as if it were his own business. Coming up with new ideas to reinvent himself, and playing to the crowd.

His enthusiasm for his craft is overwhelming and would definitely be considered an asset to any venue.

We wish Alex every success for the future.

To Whom It May Concern:

This letter is to confirm my support for Alex Fietz who has just completed an 8 week contract with Sails in the Desert Hotel, Ayers Rock Resorts 5 Star Property, as the resident musician in the Tali Bar.

Alex at all times conducted himself in a professional manner and was extremely popular with our residents and guests. His talent was welcomed by our guests, resulting in increased patronage and revenue over the period of his stay.

That little bit extra that Alex was able to provide to personalise the evening for our guests provided a number of positive guest comment cards to his credit.

I would not hesitate to recommend Alex throughout the industry and would welcome him back at any time to our Hotel.

In the time I have worked with Alex on the ship, he has demonstrated versatility, punctuality, consistency and a strong musical ethic while performing at Cleopatra's Pianobar. Alex is a fine musician with a broad repertoire of music, always has something for everyone and we have only received positive feedback from our guests.

To Whom it May Concern,

I had the pleasure of working with Alex Fietz (piano bar) on the Fantasy from February through July, 2001. As Musical Director I never once had any complaints concerning him as far as punctuality, dress or any other disciplinary measures.

He's an accomplished musician and his extensive repertoire appeals to crowds of all types. Alex has an amicable disposition and quickly establishes a good rapport with the crowd, which he holds for the duration of the cruise.

Also, on his own initiative, by monitoring his audience, he suggested changes to his work schedule to best take advantage of the flow of the crowd between dinner and show times which no doubt had a positive effect on bar revenues in his room.

I strongly recommend him for any ship in the fleet including any of the new vessels.

Sincerely,

James Wolfe

TO WHOM IT MAY CONCERN

Alex Fietz worked in the capacity of resident musician at Daydream Island Resort from Wednesday, 17 March to Monday, 31st May 1999.

As the resident musician, Alex was required to play five nights per week, four hours per night, of which Alex performed with the utmost professionalism. Alex has a wonderful musical talent and his piano skills are definitely worth noting. It was common to have guests make mention of Alex's very talented musical abilities on the Baby Grand piano. Alex's style of interactive audience participation was very refreshing and he possesses a huge repertoire of songs, offering variety to those who frequented the entertainment bar each night to watch him perform.

I found Alex to be extremely well mannered and a well presented individual. It was a pleasure to have Alex perform at Daydream Island Resort. He was very flexible and adaptable and was more than willing to tailor his performance to suit the needs of the Resort.

Alex also became involved with Resort activities and operations outside his scheduled working hours, which made him a valuable asset to the Resort.

I have no hesitation in recommending Alex Fietz to any potential employer looking to provide a talented pianist for the entertainment of their clientele in a casual, or formal, relaxed atmosphere.

Yours faithfully

TO WHOM IT MAY CONCERN

5.12.1996

It is with pleasure that I write this reference for Mr Alex Fietz.

I have known Alex for a period of almost four years in my capacities as Malls Manager and Council Promotions Coordinator for the Gold Coast City Council.

As Malls Manager I regularly employed Alex for lunchtime performances in the Southport Mall. I always found him to be a most professional and accomplished entertainer who drew extremely favourable comments from both mall patrons and traders. Importantly I found him to be very reliable and punctual individual.

As Council Promotions Coordinator I recently called upon Alex to perform at a high-level function held to recognise the Gold Coast Tropicarnival Festival's 15th Anniversary Event. Alex was primarily invited to perform at this function because of his excellent and versatile presentation and I am pleased to report that he did not let me down.

I look forward to working with Alex again in the not-too-distant future and I wish him well with his future pursuits within the entertainment industry.

To whom it may concern

I would like to take this opportunity to present to you Mr Alex Fietz. As President of the Student Union on the Gold Coast Campus of Griffith University I have known Alex as both a member and employee of our organisation.

Alex was employed by us to provide entertainment on a number of occasions at both formal and informal functions. The most important function for our organisation is the Annual Changeover Dinner, when we invite staff and administration from the University to be our guests for the evening. Alex's ability to interpret music appropriate to the occasion made not only the pre-dinner drinks a 'classy' affair, but the party afterwards a huge success.

Similarly, Alex's performance at our pre-Graduation Cocktail Party was highly professional and well polished. Alex has also performed for us at the campus Beergarden and his music was thoroughly enjoyed by both students and staff.

I have no hesitation in recommending Mr Alex Fietz to you. He is punctual, extremely talented and shows a very professional approach to his music. With his abilities ranging from classical, to blues, to contemporary and very recent hits, Alex Fietz can only be a great asset to you.
